Mitch,

My condolences for your loss. Will you be able to provide responses and document production in the next two weeks? If so I suggest requesting a 3 month extension of the discovery deadline in light of both this and the certification of the collective. Please let me know your thoughts. I'd like to submit the extension request tomorrow, if possible.

Thanks,  
Denise

Mitch,

In accordance with Judge Liman's individual practices, please let me know when you are available in the next two days to meet and confer about Defendants' outstanding discovery responses. If we cannot resolve this, I will have to write to the Court next week.

Thank you,  
Denise

Mitch,

At the initial conference the judge told us that if conditional cert was granted, we should confer about whether to extend the discovery period. We sent the notice this week, so the opt-in deadline is in July, and the current discovery deadline is October 6. I suggest seeking a 2 month discovery extension, to December 6. Please let me know your thoughts.

Also, Defendants' discovery responses were due this past Monday, May 9. Please provide your responses and production by next Wednesday, May 18.

Thanks,  
Denise
